Subject - Construction of a Cinema theatre in Harihar Musafirkhana extension by Mr R T Govinda Rao

* * *

Sir,

Adverting to your Memo No L 7774/M1 dated 5th February 1945 forwarding the petition of certain residents of Harihar Town Municipality protesting against the grant of a license for the construction of a cinema theartre on a site in the new musafirkhana extension and calling for a report in the matter, I have the honour to state that the location of the cinema theatre in question corresponds with the site shown in the lay out plan of the musafirkhana extension approved by the Government Architect The plan is enclosed in the records The other plans showing the design of the building and approved by the Government Architect are also forwarded herewith for favour of perusal of Government and return The president reports that as the plan had been approved by the Government Architect, a license to construct the theatre in question was granted

From the report of the President it is seen that the specifications in the plan of the building have not been sent to the Executive Engineer for approval The Executive Engineer, who has since been consulted by this office in the matter says that plan of the building does not satisfy the conditions mentioned in the draft rules prepared by the Government Architect The Government

p t o

Government Architect who inspected the theatre under construction recently, informed me that very inferior materials were being used for the construction, that instead of brickes or stone, pebbles in mud ~~was~~ are being used for the walls and ~~would~~ walles therefore that the construction should be stopped I have therefore asked the President of the Municipality to stops the construction of the building until the Specifications are approved by the Executive Engineer, and that the licensed should be directed to use good and strong fire proof materials for the construction of the theatre after approved by the Executive Engineer,

There is no force in the contention of the petitioners that the Cinema theatre should not be permitted to be constructed on the site in question as the locality is inhabited by the mohommedans and as they have no objection to the disposal of site for construction of shop buildings and stalls

The petition is herewith returned

I have the honour to be,
Sir,
Your most obedient servant,

Dt. 27/10

We the Muslim of Harihar Town most respectfully beg leave to submit the following few lines to your benign consideration and for favourable orders thereon at an early date

(i) 1) We are given to understand that the President, Harihar Town Municipality, has granted a license opposed to rules to Mr R T Govinda Rao, for the construction of Cinema theatre in the Musafirkhana extension of Harihar Town without the approval of the District Magistrate and the Government as required by Rules under Cinematograph Act

(ii) 2) The site held by Mr R T Govinda Rao, in the above extension for his factory, has been acquired by the Government in their Order No L 7252/ 1 18-44-7 dated the 8th February 1945 for distribution of sites

(iii) 3) No site has yet been granted to him in lieu of his above site It is not right on the part of the Municipal President to have granted a License for the construction of a cinema theatre there, pending grant of a site elsewhere

(iv) 4) The site, in the Musafirkhana extension of Harihar Town, where Mr R T Govinda Rao intends to construct a Cinema Theatre, was previously been ordered by the then Deputy Commissioner, Chitaldrug, in his Memo No A6 D Dis 1760 of 40-41, to be kept as reserved and that the same

Lastly, we beg to state, that we have submitted the fact on the 20th April 1945 to The Minister For Public Works in Mysore, Bangalore, and a copy to The District Magistrate, Chitaldrug No action has been taken yet in this connection

Subject, Construction of a cinema theatre by Mr R T Govinda Rao at Harihar

Sir,

With reference to your letter No L 4106 dated 24-11-45 on the above subject, forwarding another petition dated 23-10-45 received from the Muslim residents of Harihar protesting against the grant of license for the construction of a cinema theatre by Mr T R Govinda Rao and calling for my report on the complaints made therein, I have the honour to state as follows

2) The allegations made in the petition are,

(i) that the President of Harihar Municipality has issued the license contrary to the rules also, etc,

(ii and iii) that the site held by Mr T R Govinda Rao was acquired as per notification No L 7252/M1 18-44-7 dated 8-2-1945 and it has not been granted to him by the Land Acquisition Officer etc,

(iv and v) that the site was ordered to be reserved by the Deputy Commissioner in A6 C D Dis 1760 of 40-41 and the same was approved by Government in view of the fact that there were a number of Muslim houses in the neighbourhood also,

(vi) that Mr Govinda Rao is proceeding with the construction of the cinema inspite of the fact that a stay order has been issued by the District Magistrate

The petitioners have also made a request that the plan approved by the Govt Architect may be cancelled and the construction of the theatre on the site may not be permitted in view of the site being situated in a Mohammadan locality

3) In regard to the 1st allegation, the President of the

Harihar

Harihar Municipality in his No H C 22/45-46 dated 28-7-45 has reported that he has issued the license by virtue of the powers vested in him as per building bye-laws in force sanctioned by Govt in their order No 10745- M1 53-18-4 dated 20-2-1919 The site in question has been allotted for the construction of a cinema theatre in the lay out plan of the Musafirkhana extension which has been approved by the Govt Architect The Executive Engineer,Chitaldrug has further scrutinised the estimates and plans and reported in his letter No 538 dated 31-12-1945,that the plan satisfies all the conditions mentioned in the draft rules framed by the Govt Architect and recommended the grant of permission to Mr Govinda Rao for the construction of the theatre

4) In regard to the allegations in (ii) and (iii) the President of the Municipality, in his No H C 80/44-45 dated 14-1-46, has clearly reported that as per Govt notification No L 7252/M1 18-44-7 dated 19-1-45,only 39 sites (1 to 44 excluding site Nos 23,31, 32, 33 and 37) were ordered to be acquired and the site in question belonging to Mr Govinda Rao and bearing No 45 was not ordered to be acquire acquired at all and inthese circumstances, no proceedings for the acquisition of this site were taken up

5) In regard to allegations iv and v prior to the formation of the present Musafirkhana extension, there was a ground-nut decorticating factory put up by Mr Govinda Rao on this site The residents of Harihar town presented a petition to Government on 17-7-1940 for the shifting of this factory to some other place on account of the noice, and bustle and dust from the factory there The Municipal Council,Harihar resolved to acquire the site and the cost of acquisition was estimated at Rs 6000/ At this stage, Mr Govinda Rao removed the factory elsewhere on his own accord, and a proposal was made to Govt in this office letter No A6 1760/40-41 dated 14-11-42 ,in these circumstances , to drop the question of acquisition The proposal was accepted by Government vide letter No L 6411/M1 119-41-226 dated 6-1-43

from

from the Secretary to Government,Law Department

6/ In regard to allegation No 6,as it was reported by the Executive Engineer in his No 519 dated 4-5-45 that Mr Govinda Rao was using inferior materials for the construction of the theatre,its further construction was ordered to be stopped by my predecessor The Executive Engineer has since inspected the spot and has approved the specifications of the work according to the plans and estimates

7/ The allegations contained in the petition appear to be the out come of party faction in the town I have also inspected the spot on 11-1-46 in company with the President of the Municipality and made enquiries The site in question is situated to the North of the road running in front of the Veterinary Dispensary The few tombs referred to in the petition are on the other side of the road I fail to see how the existence of a few tombs can stand as an impediment for the construction of the theatre Besides, the Govt Architect has selected the site as the one best fitted for the construction of the theatr and has accordingly allowed the same on the lay out plan approved by him I fully concur with the opinion of my predecessor that there is absolutely no force in the objections raised by the petitioners Mr Govinda Rao has obtained license from the Municipality so far back as 31-12-1944 and has collected all the materials at a heavy cost and employed mechanics etc , and is daily incurring heavy loss by reason of the stoppage of the work I have permitted him to proceed with the construction as the Executive Engineer has approved the plans and specifications and my predecessor had stopped the work wearly on the objection raised by the Executive Engineer that inferior materials were being used

The entire file of records received with your letter under reply is herewith returned along with the following references

for favour of information of Government.

Respected Sir,

In continuation of [redacted] telegram of yesterdate, we the undersigned Muslim [redacted] A Member and the Muslims of Harihar Town, beg to bring the following few lines to your kind consideration and early favourable orders

Though several orders have been passed by the honourable Government to stop the construction of Mr R T Govinda Rao's cinema theatre, the Deputy Commissioner and the Amildar-President acting contrary to the Government orders, have permitted again ~~to~~ Mr R T Govinda Rao to continue the construction of the theatre

Therefore, we most humbly beg to request your honour, that immediate cancellation orders for the construction of the said theatre in that place may kindly be passed, as that place is situated in the centre of Mohamadan locality and opposite to Khabrastan It is needless to mention again that the situation between Hindus and Mohamadans is not satisfactory If any sort of recreation encouraged in that particular place, we fear that the situation in the town may grow worse

We once again pray that the honourable Government will consider this and cancel the order which has now been granted by the Deputy Commissioner, Chitaldrug

For which act of graciousness, we shall all remain ever grateful and thankful to your honour.

I have also requested the Executive Engineer Chitaldrug to inspect the spot and intimate whether the party is constructing the theatre in accordance with the specification approved by him. Further communication will be made on receipt of his report.

Copy of Letter No A6 C 2201/44-45 dated 24th January 1946 from the Deputy Commissioner, Chitaldrug to the Secretary to Government of Mysore, Revenue Department, Bangalore

==========

With reference to your letter No L 4106 dated 24-11-1945 on the above subject, forwarding another petition dated 23-10-1945 received from the Muslim residents of Harihar protesting against the grant of license for the construction of a cinema theatre by Mr RT Govinda Rao and calling for my report on the complaints made therein, I have the honour to state as follows,

2) The allegations made in the petition are,

(i) that the President of Harihar Municipality has issued the license contrary to the rules etc ,

(ii) and iii) that the site held by Mr RT Govinda Rao was acquired as per notification No L 7252/41 18-44-7 dated 8-9-1945 and it has not been granted to him by the Land Acquisition officer etc,

(iv and V) that the site was ordered to be reserved by the Deputy Commissioner in A6 C D Dis 1760 of 40-41 and the same was approved by Government in view of the fact that there were a number of Musli houses in the neighbourhood also,

(vi) that Mr Govinda Rao is proceeding with the construction of the Cinema inspite of the fact that a stay order has been issued by the District Magistrate

The petitioners have also made a request that the plan approved by the Government Architect may be cancelled and the construction of the ~~theatre~~ theatre on the site may not be permitted in view of the site being situated in a Mohammadan Locality

3) In regard to the Ist allegation, the President of Harihar municipality in his No H C 29/45-46 dated 28-7-1945 has reported that he has issued the license by virtue of the powers vested in him as per building bye-laws in force sanctioned by Government in their order No 10745-M1 53-18-4 dated 20-9-1919 The site in question has been allotted for the construction of a cinema theatre in the lay out plan of the Musafirkhana extension which has been approved by the Government Architect The Executive Engineer, Chitaldrug has further scrutinised the estimates and plans and reported in his letter No 538 dated 31-12-1945, that the plan satisfies all the conditions mentioned in the draft rules framed by the Government Architect and recommended the grant of permission to Mr Govi/

Rao for the construction of the theatre

In regard to the allegations in (ii) and (iii) the President of the Municipality, in his No H C 80/44-45 dated 14-1-1946, has clearly reported that as per Govt notification No L 7252/M1 18-44-7 dated 19-1-1945, only 39 sites (1 to 44 excluding site Nos 23,31, 32, 33 and 37) were ordered to be acquired and the site in question belonging to Mr Govinda Rao and bearing No 45 was not ordered to be acquired at all and in these circumstances, no proceedings for the acquisition of this site were taken up

In regard to allegations iv and v, prior to the formation of the present Musafirkhana extension, there was a ground-nut decorticating factory put up by Mr Govinda Rao on this site The residents of Harihar town presented a petition to Government on 17-7-1940 for the shifting of this factory to some other place on account of the noice, and bustle and dust from the factory there The Municipal Council, Harihar resolved to acquire the site and the cost of acquisition was estimated at Rs 6000/ At this stage Mr Govinda Rao removed the factory elsewhere on his own accord, and a proposal was made toGovt in this office letter No M6 17/0/40-41 dated 14-11-1942, in these circumstances to drop the question of acquisition The proposal was accepted by Government vide letter No L 6411/M1 119-41-226 dated 6-1-43 from the Secretary to Government, Law Department

In regard to allegation No 6, as it was reported by the Executive Engineer in his No 519 dated 4-5-1945 that Mr Govinda Rao was using inferior materials for the construction of the theatre, its further construction was ordered to be stopped by my predecessor The Executive Engineer has since inspected the spot and has approved the specifications of the work according to the plans and estimates

The allegations contained in the petition appear to be the out come of party faction in the town I have also inspected the spot on 11-1-1946 in company with the President of the Municipality and made enquiries The site in question is situated to the North of the road running in front of the Veterinary Dispensary The

few tombs referred to in the petition are on the other side of the road I fail to see how the existance of a few tombs can stand as an impediment for the construction of the theatre Besides, the Government Architect has selected the site as the one best fitted for the construction of the theatre and has accordingly allowed the same on the lay out plan approved by him I fully concur with the opinion of my predecessor that there is absolutely no force in the objections raised by the petitioners Mr Govinda Rao has obtained license from the Municipality so far back as 31-12-1944 and has collected all the materials at a heavy cost and employed mechanics etc , and is daily incurring heavy loss by reason of the stoppage of the work I have permitted him to proceed with the construction as the Executive Engineer has approved the plans and specifications and my predecessor had stopped the work mearly on the objection raised by the Executive Engineer that inferior materials were being used

The entire file of records received with your letter under reply is herewith returned along with the following references for favour of information of Government

Letter No.888 dated 31st December 1945 from the Executive Engineer,Chitaldrug Division to the Deputy Commissioner,Chitaldrug District,Chitaldrug.

Subject;, I have the honour to forward herewith the plan and calculations received from Mr.T.T.Govi da Rao,harihar duly approved as the plan satisfies all the conditions mentioned in the memoran dum of rules framed by the Government Architect.

The necessary license may kindly be granted to him for building the cinema theatre in accordance with the plans and designs enclosed herewith duly approved by me.

During the execution the following suggestions may be adopted.

1. It is advisible to use 1½ depth of cement concrete 1,4;8 instead of surki concrete as noted in the section sheet of foundation.

2. It is better if walls in in between the pillars are constructed with burnt brick in mortar instead of burnt brick in mud as the former is capable of taking more load than burnt brick in mud besid it prevents white ants.

3. Regarding R.C.C. lintels over doors and windows, it is better to cranck alternative rods at 1/5 span and 3/8 stirrups used.

4 With respect to R.C.C. beams cranking of alternative bars is necessary and also 3/8" rod stimps from 6" to 9" centre to concrete from the end towards the centre are necessary to be used and it is better to use 1" rods equal in area of steel required instead of 1 1/8" inch diamatetor rods as noted in the calculation sheet

5. It is better to use two way reinforcements for Balcony slab.

6 During the execution of all R.C.C. works fabrication work must be got approved by a competent and experienced Engineer and necessary certificate to that effect that may be obtained from him by the owner.

7. The design for R.C.C. stair case of wooden stair case if necessary may be got approved before execution.

8. Regarding trusses ,the sizes of the members should be adopted in accordance with the sizes noted in the calculation sheets as well in the drawing sheets.

9.All tension members may be of 2½" x3/8" flat instead of doubl- angle iron of ¼" thick.

10. The gusset plates should be 3/8" thick plate in double instead of ½" thick plate as noted in the plan.

11. The size of purlins to be used may be got approved before execution.

12. Stone tem plates 8" to 9" thick of the full width of the wall should be used below each truss.

13. Subsequent altertions before during and after construction of theatre building need approval of the xecutive Engineer.

Respected sir,

Sub. Grant of license to Mr.R.T.Govinda Rao, to construct a Cinema House at Harihar by the Deputy Commissioner, Chitaldrug contrary to order previously passed about the same

(5648/I)

We the muslim residents of Harihar beg most respectfully to place the following few facts for your kind consideration and pray that records connected with the above subject may kindly be called for and the order of the Deputy Commissioner granting license to construct a Cinema House to Mr.R.T.Govinda Rao,be cancelled in the interests, peace and tranquility and good feeling among the various communities of the place.

1. That on 28-3-1945 we presented to the Government a petition praying that the land asked for by Mr.R T.Govinda Rao for construction of a Cinema House in Musafhir khana extension at Harihar may not be granted for the reasons recited therein, i.e.,

(i) The site held by R.T.Govinda Rao, in the above extension for his factory has been acquired by Government in their Order No.L.7252/M1 18-44-7 dated

dated 8th February 1945 for distribution of sites

(ii) No site has yet been granted to him in lieu of his above site It is not right on the part of the Municipal President to have granted a license for the construction of a Cinema Theatre there, pending grant of a site elsewhere.

(iii) The site held by Mr R T Govinda Rao, in the Muzafhir khana extension of Harihar town, where Mr R.T.Govinda Rao intends to construct a Cinema Theatre, has previously been ordered by the then Deputy Commissioner,Chitaldrug, in his office Memo No.A6.D Dis 1760 of 40-41, to he kept reserved and that the same should not be disposed of for any construction. The Government have also approved the above action of the Deputy Commissioner,Chitaldrug, in view of the fact that there are a number of muslim houses and a Khabarastan by the side of the site in question.

2. The Government were pleased to agree with the recommendations of the then Deputy Commissioner and refused permission to Mr.R T.Govinda Rao to construction of his theatre.

3. But Mr R T.Govinda Rao re-opened the question after the present Deputy Commissioner came to Chitaldrug and for reasons least known to himself, the Deputy Commissioner has issued a license and permitted him to construct his Cinema theatre which he is going with great haste.

5 The action of the Deputy Commissioner is really illegal and contrary to the previous orders of the Government and provisions of the Mysore Cinematograph Act.

Wherefore the petitioners pray that the license granted by the Deputy Commissioner be suspended pending further enquiry and dispose of the matter finally.
